Matters Arising

Richard thanked Dave for manning the club stand in Priory Park and also Rob for running the April training trial and organising the article in the Surrey Mirror which spanned a whole page.

Secretary's Report

Carol confirmed that we have not been members of BMF since the end of 2008. After some discussion it was agreed that we would rejoin in view of the insurance benefits for our camping weekends. Cost £294.00. **CD** to arrange. With regard to permits and entry into the TSM for the Star Group Trial, it was decided to leave this to nearer the time when we will know who the officials are. **CD** to diarise ahead for this.

Treasurer's Report

Current account £490.31. Tracker account £12,643.75.

Jo then clarified a few matters relating to previous permits and reminded everyone that the permits and the return forms should go to her and also the event title and date should be added to the signing on forms. Jo also produced a record showing the profit/loss situation at club trials and as we are not always making enough to cover expenses, we may need to consider using cheaper land.

Editor's Report

Debbie sent a message thanking everyone for the newsletter articles.

Membership Secretary's Report

Membership now stands at 97.

Competition Secretary's Report

Eric thanked the Darks and Dons for laying out the last trial. Stuart is to lay out the whites at Faygate and in the absence of any other volunteers Richard, Malcolm and Pete will lay out the other routes. **EC** will check re entry to the land and **RC** will check out the kit with Stuart and stock up on staples etc.

Social Secretary

Jo suggested that we think about entertainment for the Aug camping weekend and that we should have a break from the race night. Everyone agreed and Stuart suggested karaoke to which Jo added RRND's Got Talent! With a quiz to start the evening.

Training Trials

Continuing well.

Any Other Business

Section 5 Trials website now appears to be up and running again and Richard highly recommended another site: - trials and tribulations.

Stuart brought up the subject of practice days and it was decided that this could be done independently by a group of riders but not within the club due to insurance implications. He may contact Doug Chandler at Shamley Green in due course.

Danny suggested that we advertise the Ockley camping weekend in July as few people know anything about it. **RC** will write a piece for the next newsletter and organise the toilets. **PJ** will contact James Fry to ask him to do some training on the Saturday afternoon. During the morning we will hopefully do some clearing and set out for Sunday's club trial.

Date of Next Meeting

Wednesday 2nd June 2010 at Home Cottage, Redstone Hill, Redhill.
