

## **MINUTES OF RRND COMMITTEE MEETING HELD ON 1st June 2011**

### **Present**

Dave Charman, Carol Dark, Colin Don, Debbie Don, Pete Jenkins, Jo Jenkins.

### **Apologies for Absence**

Richard Coles, Malcolm Coles, Rob Edwards, Danny Haste, Stuart Read.

### **Minutes of Last Meeting**

Circulated by e-mail and approved.

### **Matters Arising**

The toilet facility for the trial at Hook Woods has now been sorted by Colin and Richard ready for the 26<sup>th</sup> June to save paying their charge of £75 for the same.

### **Secretary's Report**

**Carol** has received correspondence from the ACU putting forward options for the forthcoming on-line licence system. After some discussion it was decided that the club would support Option 2 whereby the Club's Membership Secretary would have a list of randomly generated code numbers supplied by the ACU. Then, when a club member renews his annual subscription or a new member joins the club, the Membership Secretary will give them a code number which they will need to enter during the on-line application, to complete the application process and validate the licence. Clubs have until 30<sup>th</sup> June to respond to the ACU with their opinions and it is intended that the new system will be available from 1<sup>st</sup> November in plenty of time for the 2012 season.

### **Treasurer's Report**

Current account £723.42 and Tracker account £12650.07

Jo is aware that we have not yet paid Roy for the use of Dunsfold for the last club trial and this is in hand.

Jo has now drafted new signing on sheets and a supply is in the signing box for use.

### **Editor's Report**

Debbie has an article from Pete about the Landsend Trial. Dave is yet to do his article to be with Debbie by next Tuesday so she has time to compete the newsletter before going on holiday.

Dave is still not receiving the newsletter and Debbie will now try his work e-mail.

### **Membership Secretary's Report**

Not present but Rob e-mailed that membership remained the same as last month.

## **Competition Secretary's Report**

Not present.

## **Social Secretary**

### **Camping Weekend**

The camping weekend was discussed and as it was felt that the 'Frog Racing' went so well **Jo** will speak to Stuart about the possibility of repeating it again this year on the Saturday evening.

It was thought that this year on the Monday we could go back to a small trial in the woods followed by a fun arena style section on the field and as before the **Darks and Dons** would arrange this.

**Jo** will speak to Roy to establish whether or not the previously mentioned toilets will be available and at the same time find out how much we owe him for the last club trial. **Jo** will also speak to the regular camping weekend helpers to make sure they are still happy to commit themselves for another year or if they would prefer to have a break or do something different. She will feedback at the next meeting.

**Colin** offered to transport things the week before if necessary.

## **Training Trials**

Only 3 entered the last training trial. This is not however an immediate issue as there will be no further events until September anyway.

## **Any Other Business**

Rob e-mailed a concern that whilst some people renewed their membership in order to be able to attend the camping weekend, others who attended were not actually current members and how bothered were we about this. After some discussion it was decided that most non-members were actually families of members and that as long as they were charged appropriately we would have a relaxed attitude towards this.

The first evening trial is on the 9<sup>th</sup> June and Richard and Malcolm will be available for the barbecue and to lay out although help will be needed for the reds. Jo will not be there but Carol will also be able to help with the barbecue. Dave will take one gazebo, but we need to locate the green one.

The Home Cottage has not yet re-opened but the committee and members that come along are happy to use The Dog and Duck. **Debbie** will ask Bruce to put this on the website.

## **Date of Next Meeting**

Wednesday 6th July at The Dog and Duck at Outwood.
