An e mail has been received from Neville Lewis, lamenting the loss of the monthly E News etc. and the fact that it is necessary to 'hand hold' the Club membership with regards to what events are on etc.

Debbie Don pointed out that she has in fact given members ample opportunity for some one to take over, and has made it clear on more than one occasion that she can no longer devote the time to producing the lengthy E News. Since no one has stepped forward, **Debbie Don** has agreed to remain on the Committee and produce short Club notices etc. **Rob Edwards** was asked to supply a list of current e mail addresses for all members, so that an e mail circulation system can be set up. **Antony Read** recommended looking at Mail Chimp, a free service which could be used for just such a purpose.

Antony Read has in fact already discussed the issues with Neville, so he is aware of the current situation.

MEMBERSHIP SECRETARY'S REPORT

Two new members this month, Nathan Corsini and Simon Hayes. There are now 79 members.
