**COMBINED ACU AND AMCA  
COMMITTEE MEETING HELD AT 7.30PM ON  
Thursday 2<sup>nd</sup> March 2017  
THE RED LION, BETCHWORTH, SURREY**

**Minutes**

Present: RC, AR, TC, DC, RM, PJ, MB, RE, MH

Apologies for Absence: Grace and Carol Dark

Minutes of Last Meeting; Circulated and approved

Matters Arising; Gervase had been paid in an extension of the annual agreement to use Beare Gill. It was agreed that it would benefit the club to use road planings to improve and extend the parking on site and this would be checked with Gervase. Various members to then enquire regarding a source of material and report to next meeting.

Pete was to raise with Star group the move of the normal December fixture to a now vacant slot in the calendar in September and this was approved. This should make it easier to run and obtain observers.

Secretary's Report; Carol was not able to attend. RC had collected current paperwork. It was agreed to send flowers to Carol as a thank-you for organising the dinner/dance which was much enjoyed by all attending.

Treasurer's Report; Annual accounts currently being audited prior to AGM.

Editor's Report; MH to circulate details and requirements for AGM, also details of prerde for LDT. It was noted that Bruce had revamped the website and that the minutes shown were only to Oct last year. Need to update and keep Bruce updated

Membership Secretary's Report; No significant change.

Competition Secretary's Report; Relatively low turn-out at Blacklands was a surprise. AR noted a change of club events to third Sunday. This had not been intentional on the part of PJ, who was thanked for setting dates and arranging, but it was noted that a break of a weekend between club and centre events would suit some riders better.

Social Events; see Sec report. MB has items in hand for camping weekend and is happy to organise but it was noted that the hog-roast had been booked for a wedding and could not attend and a different caterer would be required. Ideas/ suggestions considered..

Any Other Business; LDT coming on. Prerum on 30/3 with notices. Test ride of the route had been successful. MB doing entries- currently 41. Meeting after AGM

Date of Next Meeting; AGM on 23/3, Committee on 6/4 (RC unable to attend)
